The Humble Heroes Foundation Scholarship Application Form

The Humble Heroes Foundation was founded in 2012 after our friend Marine Corps Master Sergeant Travis Riddick was killed while on active duty in Afghanistan on January 19th, 2012. His untimely death left a void in many lives and reminded us of the high price paid by far too many of our country's military men and women. After Travis's passing, we were left with feeling of helplessness and a desire to do something of significance that would show appreciation for our military service members. We believe that the families of military men and women who have lost a loved one or had their lives impacted due to a disabling combat injury of their military spouse may be faced with significant financial challenges. We feel that their sacrifices have earned more than our much-appreciated condolences and gratitude – they deserve our active support. It is this sentiment that sparked the idea for The Humble Heroes Foundation. It is our mission to offer the spouses and children of our fallen heroes and disabled veterans an opportunity to achieve their educational goals and financial needs through scholarships and other assistance programs. It is our wish that, through support from our foundation, the family members of those that have sacrificed in defense of our freedoms will have the options necessary to achieve their life goals and make their educational dreams a reality. We hope that you will join us in this effort and actively show support to those that have proudly and honorably supported our country through their humble service to defend this great nation.

The Humble Heroes Foundation is honored to be able to provide this \$1000 scholarship award to a senior student at Moravia High School. Good Luck to all applicants!
